Work Experience

Project Manager | Tandem Studios Inc. | Vancouver, BC
November 2024 - June 2026

- **Increased project revenue by 21.3%** - Improved client satisfaction by transitioning a research-heavy project from rigid timelines to Agile-driven outcomes that focus on high-impact.
- **Rescued failing project schedule within 1 month** - Transformed 6 months of missed deadlines into 1.5 years of on-time delivery by designing a custom estimation process.
- **Technical Communication -** Created a communication plan that improved client comprehension and satisfaction, leading to numerous successful project outcomes across Tandem.

UX Designer | Tandem Studios Inc. | Vancouver, BC
January 2022 - October 2024

- **Lead UX Designer for 9 enterprise systems -** Partnered closely with developers, stakeholders, and product managers to define technical requirements and deliver comprehensive wireframes.
- **Multi-Industry Software Design**: Managed and designed across technical, high-stakes industries including Energy, Logistics, Agriculture, and Climate Tech.
- **Requirement Gathering**: Translated complex workflows into user-friendly experiences by conducting user interviews and task flow analysis, ensuring alignment between user needs and KPIs.

Professional Experience

- **Co-designed over 12 celebrated digital projects -** Collaborating across national product teams during a 3 year tenure at the National Film Board of Canada (NFB).
- **Championed Agile workflows for 7 years –** Commended for bridging teams via meticulous Jira management, including maintenance of product backlogs and authoring detailed user stories.
- **Tandem's IT** - Became the primary mentor for design and productivity tools; Figma, Lucidchart, Jira, Confluence, and Excel, hosting optional Q&A sessions that engaged the entire team.
